FAQ's

How do I redeem the Baby Bag service?

Please go to our website to purchase the service: www.prepaidhealth.co.za

Once payment is received, you will receive an SMS with your authentication code

Call the toll-free number (0800 123 4567) with this code to redeem the service

During this call, the consultant will ask you for the contact details and address of the person and place to which the Baby Bag must be delivered.

Will I need to pay for the delivery of the Baby Bag?

No, the delivery of the Baby Bag as well as all the contents are included in the price.

Can I exchange some of the contents for other products?

No, unfortunately you cannot.

Can I purchase this service for someone else?

Yes, you may gift this service to another individual to redeem. If this service is provided as part of an employment benefit, please refer to your company's policy for more information.
