

## WELCOME TO CareWorks' Well@Work Healthcare Marketplace

CareWorks gives your customers the tools they need to turn their workplaces into healthy, productive, and happy environments. The average business cannot afford medical aid or expensive recurring premiums; our solution of on-demand, quality healthcare services gives businesses flexibility and choice.

*The CareWorks Well@Work Platform enables employers to provide flexible and commitment-free healthcare services to their employees. Well@Work services can be bought for employees on a discretionary basis or prepaid and provided as a bundled benefit package.*
